

# Where We Live

## Investigating Ecosystems

### Which Mangrove is Which?

Use your identification skills to find out which tree is the Red Mangrove and which is the White Mangrove.

### TREE A

Draw the leaf its actual size.  
(1 block= 1cm.)

**Size of leaves:**

**Length:**

\_\_\_\_\_ cm.

\_\_\_\_\_ in.

**Width:**

\_\_\_\_\_ cm.

\_\_\_\_\_ in.

### TREE B

Draw the leaf its actual size.  
(1 block= 1cm.)

**Size of leaves:**

**Length:**

\_\_\_\_\_ cm.

\_\_\_\_\_ in.

**Width:**

\_\_\_\_\_ cm.

\_\_\_\_\_ in.

Circle which characteristics apply for this tree:

**Leaves are:** shiny      dull

**Leaves are:** same color on top & bottom  
different colors on top & bottom

**Leaves have:** 2 bumps (glands) on leaf stem  
no bumps

**Prop/drop roots are:** visible      not visible

**Tree "A" is:** Red Mangrove      White Mangrove
